Text Prompt

A man stands at the podium in OpenAI's luxurious conference room, behind him a massive electronic screen displays the company's glowing profit data. He grips the microphone firmly, gazes across the audience below, and announces in a steady tone: <S>The board wants to sell OpenAI to Zuckerberg, which is unacceptable.<E>

Text Prompt

A man with an air of intellect holds a book close, examining the pages under the warm glow of a rustic library lamp. The ambient light casts gentle shadows across his focused expression, while a tranquil, scholarly atmosphere envelops the room. Occasionally, he pause to jot down notes in the margins, further immersing himself in the text's rich narratives. He declares warmly, <S>Learning never exhausts the mind.<E>
